## COMMUNICATION WITH MEMBERS

All parents are asked to install the 'Team App' on their smartphone. Appropriately used (notifications enabled in the device & in the App), Team App provides enhanced communication capabilities for the club and for members. Below is a summary brochure. For more details, see: [Team App Brochure v4](#)

### ST GEORGE LAC HAS ITS OWN 'TEAM APP'

Download our awesome app now and stay up to date with all the latest news, receive newsletters and gain easy access to our on-line results system.

Install the St George LAC App on your smartphone or tablet now!

#### Follow these steps:

1. Download 'Team App' from the Apple or Google Play app store.
2. Sign up to Team App in your own name\*. [If using an iPad, you may need the screen in 'portrait' mode to see the Login/Signup buttons.]
3. You will receive an email asking you to confirm your registration.
4. Return to Team App and log into the App and search for "St George LAC".
5. Tap "Become a member of this team" and choose the access group "Parents".
6. Check your phone settings allow Notifications for Team App, and Go to Settings (in Team App) and ensure Notifications are "Enabled".

\* At least one Parent/guardian must sign-up! And please use the same email address used when you registered with St George Little Athletics Centre.

*Note: If you're already a Team App user (e.g. for another sport), you can skip steps 1 to 3.*

# ABOUT LITTLE ATHLETICS

## BEGINNINGS

The first Little Athletics competition started in the 1960s in Victoria and commenced in NSW in 1968.

Little Athletics is a uniquely Australian sport for children aged 5-16 years. As the name suggests, it is based upon the sport of athletics (track and field) and the events are specially modified to suit the ages and abilities of children. A wide range of running, jumping, throwing, and walking events is conducted.

Athletics provides a foundation for all sports. It offers young people activities and skills that will stand them in good stead for their sporting future.

Each year across Australia, more than 100,000 boys and girls participate in Little Athletics.

The track & field-based competition is conducted throughout the summer sports season and the events include (not all centres offer all events, and specific events are age-dependent):

### *TRACK*

- Sprints - 50m, 70m, 100m, 200m, 400m
- Distance - 300m, 500m, 700m, 800m, 1500m, 3000m
- Hurdles - 60mh, 80mh, 90mh, 100mh, 110mh, 200mh, 300mh
- Walks - 700m, 1100m, 1500m

### *FIELD*

- Jumps - Long Jump, Triple Jump, High Jump
- Throws - Shot put, Discus, Javelin

During winter, some centres operate cross country events – at St George Little Athletics, we encourage athletes interested in cross country to run with our sister (senior) club, *St George District Athletic Club*.

## PHILOSOPHY

The philosophy for the Little Athletics movement is summed up in the slogan:

**“LITTLE ATHLETICS... FOR... FAMILY... FRIENDSHIP.... FUN... and... FITNESS”.**

## MISSION

“[We] aspire to provide the community with recreational athletics activities that contribute to the healthy development of our children. Such activities will promote:

- Fun
- Fitness
- Friendships
- The development of skills
- The building of character and self-esteem
- The fostering of good sportsmanship in a safe, positive, family-friendly and inclusive environment.”

# REGISTRATIONS & UNIFORMS

## REGISTRATIONS

Registration fees are set out in the [FAQ](#) section of our website. Please note that registration fees are collected by Little Athletics NSW and, in general, are *not* refundable.

All registrations (including payment) must occur on-line and those registering late or unable to collect their bib numbers and age patches on the [pre-season advertised dates](#) (Orientation Days) may do so at the Olds Park clubhouse on nominated competition nights, prior to competition commencing.

## SENIOR CLUB

The prior “dual registration” option that enabled LANSW athletes to gain membership of a “senior athletics” club / Athletics NSW at no further cost has been terminated by Athletics NSW. Should you wish to participate in Athletics NSW carnivals, you will need to separately register with a senior club of your choice via Athletics NSW (ANSW) and pay the applicable fees. Athletes may choose *which* Senior Athletics Club (if any) they join. **St George District Athletic Club** (SGDAC, [www.sgdac.org](http://www.sgdac.org)) is our recommended Senior Athletics Club.

If you wish to find out more about senior athletics and/or the SGDAC, contact Greg Breen, [president@sgdac.org](mailto:president@sgdac.org) (0421 985 775).

## UNIFORMS

Correct uniform (including correct display of all patches) must be worn at our weekly competition ‘meets’ and at any representative carnival or Little Athletics gala day. *Failure to wear the correct uniform may lead to no result being recorded for events at our weekly meets and you may be refused participation at a representative carnival.*

Registration numbers must be attached to the centre front of tops and the coloured border must remain visible. The Age Patch is to be attached to the left front side of the uniform such that it is always visible. The Coles sponsor patch is placed on the top right-hand side of tops. (Left & Right with respect to the wearer.)

The adjacent diagram shows correct presentation of the uniform (one variant) including placement of the various patches.

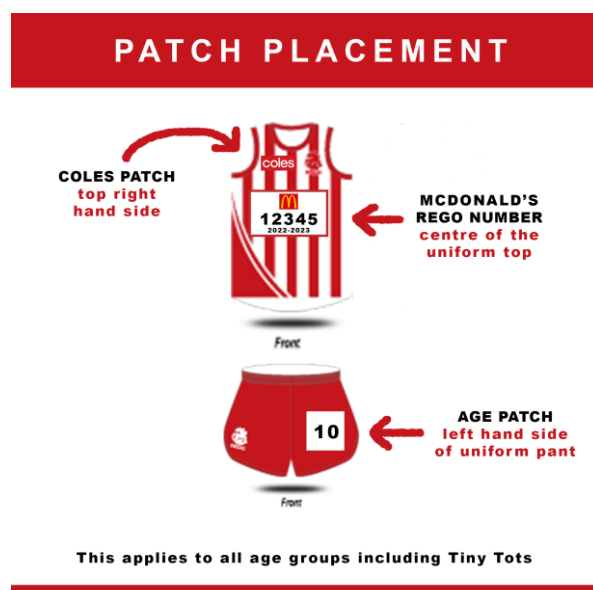

For more information, including prices and the means to purchase a uniform, see the [Uniforms](#) page of our website.

## SHOES

Shoes must always be worn during competition events.

Most young athletes wear ordinary ‘running shoes’. Please note that soccer / football / rugby boots are **not permitted**.

Spiked shoes are permitted at our weekly meets at Olds Park subject to the following rules:

- U10 and below may not wear spikes in any event.
- U11 - U12 may wear spikes in events conducted fully in lanes (100, 200m, 400m and Hurdles) only
- U13 - U17 may wear spikes in all track events
- U11 - U17 may wear spikes during Long Jump, Triple Jump, High Jump and Javelin
- For Long Jump / Triple jump (synthetic rubber surface) – you must **ONLY** wear Christmas Tree or Pyramid spikes with **maximum length 7mm**
- Different spikes are made for grass vs synthetic surfaces – be sure you have the appropriate variant
- Spikes must be removed and replaced with ordinary shoes at the end of a race or when completing the applicable Field Event
- *Spikes are not to be worn anywhere except at the Track and at the nominated Field Events.*

Spikes can be hazardous. They must be carried in a protective spike bag.

## PARENT HELPERS

Little Athletics programs rely heavily on parent involvement. In common with all Little Athletics Centres we require parents to regularly fill a variety of roles (“duties”) including supervising at events, assisting in the canteen, placing and adjusting hurdles on the track and so on. This is a *commitment* every parent made when registering their child(ren). For most roles, we provide a means for you to nominate yourself – using an online ‘sign-up’ system, but in some cases, we may nominate groups to fulfill particular roles.

For the roles of **Age Manager**, we will seek nomination from parents and make appointments for the season.

Each family should anticipate having to perform a duty up to about 8 times in a typical season. [This number may vary season by season as needed.]

**We cannot deliver our program effectively if parents fail to support the program as above. In the event that a parent(s) fails to undertake duties as required above, their children will not be eligible for Participation, Age Group or Perpetual Awards.**

There is extensive information available about the roles parents can perform on the following pages of our website:

[Parent Helper Roles](#)

[Age Managers](#)

[Parent Helper Resources](#)

Parent duties are not difficult and we have provided extensive materials on our website including short videos and documents addressing individual events. Several of the Committee Members hold formal qualifications and provide support and guidance to parents assisting at events.

## SIGN-UP

Please use the on-line [Sign-Up](#) system during the week – well prior to coming to Olds Park - to sign-up to the duty of your choice for that meet. Insufficient volunteers can lead to Events being cancelled and disappointment for the children impacted.

## FORMAL QUALIFICATIONS

There are easy to complete **on-line programs** for parents wishing to gain knowledge in a formalised way about officiating. The “[Australian Athletics Officials Education Scheme](#)” (AAOES) is a joint initiative of Athletics

Australia and Little Athletics Australia and delivers training for athletics officials – including parents helping at Little Athletics Centres.

*The needs of club and school athletics are met by the basic or “Level 1” component of AAOES program – which is delivered by very short on-line modules. The Level 1 (on-line) course for an Event, say, High Jump, takes about 75 minutes to complete. Why not consider undertaking just 1 or 2 of these? You’ll find the added knowledge & confidence gained makes assisting your children and officiating so much more rewarding!*

## ARRANGEMENTS AT OLDS PARK

### PARKING

The most convenient parking is the council parking area accessed via Holley Rd & Olds Park Lane, and adjacent to the Olds Park Sports Club parking area. This car park will fill up unless you’re early. There is another carpark at the Penshurst (council) library on Forest Rd, though it’s a slightly longer walk.

Parents must not drive beyond the car park and enter the grassed area or playing fields. Only authorised vehicles may enter.

### ARRIVAL / DEPARTURE

Arrive at Olds Park for each competition evening at least 15 minutes prior to the scheduled start time of your first event. These times are listed on the [FAQ](#) page of the website. Assist your child to locate the “Age Manager” for their group.

At the completion of the night’s events for your child’s age group, please ‘collect’ your child(ren) and “sign-out”.

**It is a requirement that a parent (or guardian) remains at Olds Park from “sign-in” to “sign-out”.** If a child is found to be without a parent at the park, the parents will be called to collect the child.

### TIMING OF FIRST EVENT

Our goal is to commence the first events of the evening promptly on schedule. Note that some events (eg. 200/300m Hurdles) may be scheduled to start earlier than the standard weekly schedule.

### SPECTATORS

**Spectators are not to enter the main oval** (inside the picket fence). The only persons to be moving about the main oval are athletes & their Age Managers moving to or from their Event, and the Track Officials / Parent Helpers conducting track events. While parents might like to run beside their younger children during races – this is not permitted.

Spectators must avoid transgressing into areas used for field events.

Parents must provide adequate supervision of young children not competing and in their care for the evening.

**In the interests of safety, and the orderly conduct of events - please comply with the above restrictions.**

### CANTEEN

A canteen & BBQ operates during Friday evening competitions and provides cold drinks, hot foods and various snacks. This is an important source of funding for the club and we appreciate your support.

## HEALTH & SAFETY

### ALCOHOL / SMOKING

It is a requirement that **no alcohol be consumed** while competition events, training, training clinics or similar Little Athletics events are being conducted at Olds Park or at any event sanctioned by Little Athletics NSW.

**Neither smoking nor 'vaping' is permitted** in any building (including toilets), competition or spectator area during any Little Athletics competition. Council conditions for use of the grounds **prohibit smoking** within 10m of any playground, car park, canteen, building or playing field where people may congregate. All premises and competition areas when used by St George Little Athletics are declared **smoke free zones** – neither smoking nor vaping is permitted.

### INJURIES

Please report injuries sustained at a Little Athletics club event to a committee member. Little Athletics provides insurance which you can access if needed.

### FIRST AID

If first aid is required during a Competition Night, seek out one of the club's First Aid Officers (identified on page 1) or proceed to the Canteen area.

### INFECTION CONTROL

In the interests of avoiding the spread of infections, particularly blood-borne infections, all athletes must adopt strict personal hygiene by covering any cuts and abrasions with an impermeable waterproof dressing. Open cuts and abrasions occurring during an athletic event or training must be reported and treated immediately. Any athlete who has an open or bleeding wound (including nosebleed) must leave the event at which they are competing until the bleeding is controlled and the wound is covered or dressed. If the bleeding is not controlled, the athlete must not return to the event(s).

Specific [requirements](#) are set on our website for the management of COVID-related risks.

## PROGRAM OF EVENTS

### AGE GROUPS & EVENTS

Each Age Group performs events appropriate to the age of the children. The specific events, and event parameters (e.g. the weight of the shot put) are defined by Little Athletics NSW for each Age Group / Gender and summarised in in the [Program Overview](#) section of the website.

The Age Group in which a child competes is determined by their year of birth (i.e. the age they turn in the calendar year in which the season commences). For example, children born in 2016 – or turning 7 in 2023 – are required to compete in the “under 8” age group in the 2023/24 season.

### MIXED AGES/GENDERS

In general, each athlete competes with other athletes of the same age group/gender and no athlete is permitted to compete outside their age/gender group *unless directed or approved to do so by a club official*.

On occasions, we may direct (or encourage) that age groups and/or genders are combined on a given Competition Night, or for a given event, to conduct the program of events more efficiently. In such circumstances, Ground Records may still be set subject to the usual conditions (see page 14). Results will always be recorded for the age/gender of the individual participant.

It should be noted that athletes (or other persons) intentionally acting as a 'pacer' for another athlete(s) is **not permitted** and *Ground Records will not be recognised if the club concludes pacing was utilised*. Every athlete is expected to run their race only.

## COMPETITION & 2-WEEKLY CYCLE

Competition Nights are scheduled from September to March as set out in the [Calendar](#) on the website.

Generally, we operate a 2-week cycle, meaning each age group (generally) performs a complete set of Events over 2 consecutive competition nights – half the events in one week and the other half in the following week<sup>1</sup>. The Week A and B Programs are set out on the website: [Weekly Programs](#).

The cycle and the scheduling of events is designed to see younger age groups complete their events earlier in the evening.

## RESULTS COLLECTION

### TRACK EVENTS

All track events are electronically timed using timing gates and a software application called "RaceHQ" provided by the company "Timing Solutions". Each pair of adjacent poles defines a 'gate' at the finish line and the breaking of beams between the poles establishes the finish time of the runner. The start time is established by a hand-held start device operated by the Race Starter, and the Start Device and the gates communicate wirelessly to a track-side computer at the finish line to deliver race times for each runner.

The lane in which each runner is placed may be electronically recorded at the start line ("Start Line Process"), or if this is not done, runners present themselves to the computer operator at the end of their race to have their bib number & lane recorded, **and it is important that they do so in the correct order**. On the Straight Track, this order is defined by the Lane Number. Lane 1 (toward the centre of the main oval) **must** present first, then Lane 2 and so on till Lane 8. On the Circular Track, where the event is run entirely within lanes (that is, the runner starts and finishes within the same lane), the same process applies. For events not run entirely within lanes (eg. 300m, 500m, 700m and all greater distances), runners present *in the order in which they finished the race*.

In the interests of reducing the chances of errors in recording, the following practices are to be followed:

- Lanes are filled from Lane 1 up to Lane 8 and with no 'gaps' between runners
- Visitors or Trialists (no results are recorded) must occupy the highest numbered lanes

### FIELD EVENTS

The results of all field events are recorded on Age / Gender / Event-specific recording sheets. **Age Managers** are responsible for ensuring recording sheets are properly filled up, the name of the person filling in the sheet clearly marked, the start & finish time for the event noted, and the sheet is handed in upon event completion or prior to leaving the ground.

### EVENTS TO BE ATTEMPTED ONLY ONCE

Athletes must undertake only their scheduled events, and only once on a given day. Practice throws or jumps may be offered to athletes, but once the event starts, each athlete may only have the specified number of attempts (typically 3).

---

<sup>1</sup> We may depart from this pattern in some circumstances, e.g. to accommodate poor weather conditions, availability of facilities, or to optimise the flow of events.

## RESULTS PUBLISHED

All Event results are centrally stored in a database system called “ResultsHQ”.

Results are usually available to parents through the family portal feature of ResultsHQ within 24-48 hours, if not earlier. This can report the results achieved on a given day, the trend over time in results for a given event, Personal/Season Best information and so on.

## PROTESTS

Protests are not available at club level! While manifest errors may be drawn to the attention of the relevant officials (or queries subsequently raised by email to [info@stgeorgelac.org.au](mailto:info@stgeorgelac.org.au)), *the decisions made & results recorded by the track and field officials are to be accepted.*

## COACHING AND TRAINING

Regular coaching is offered to members throughout the season under conditions as set out on the website: [Coaching Program](#)

The specific coaching sessions offered in a given week will be set out in a “Sign-up”. Athletes wishing to participate in a session must (via their parents) book their place online using the Sign-up. Coaching sessions are subject to confirmation each week and times may vary or sessions may be cancelled. Keep an eye on Facebook and/or Team App for updated information.

## REPRESENTATIVE OPPORTUNITIES

Participation in several Athletics Carnivals is open to St George Little Athletics athletes as set out in the following table. See the [Championships](#) page on the our website for more details.

Event	Criteria to Enter
<b>State Relay Championships</b>	All events are conducted as team events.
<b>Southern Metropolitan Zone Championships</b>	The first carnival in the <i>Zone</i> → <i>Region</i> → <i>State</i> pathway. U12 to U17 – may enter up to 6 events per athlete. U7 to U11 – may enter up to 4 events per athlete.
<b>Region 8 Championships</b>	U8 – u17. Usually: First 6 place getters at Zone + next 4 best qualifiers (across the 2 Zones in our Region)
<b>State Combined Event</b>	U7 to u17 – all athletes
<b>State Track &amp; Field Championships</b>	U9 – u17. First 2 place getters at Region + next 8 best qualifiers judged across all Regions

### Important Notes

1. It is important that athletes nominating & selected to participate in a carnival arrive on time and compete in all stages of their applicable events. **Failure to compete without good cause is poor sportsmanship,**

may see forfeit of any deposit paid. *A decision to “skip” an event for which you are entered in order to focus on a “pet event” is not considered ‘good cause’.*

2. Parent(s) of children attending Zone, Region & State championships will be expected to perform a duty to assist in the conduct of events at the Carnival. **Parents attending a carnival, whether or not pre-scheduled to perform a duty, must wear ‘enclosed’ shoes, not thongs or sandals.** A deposit is payable and refundable subject to performing a duty. There will be experienced officials present to show newcomers what to do. **Payment of Entry Fees & Deposit is a pre-requisite to participate in the championships.**
3. If places are limited, selections to attend Zone Championships & State Relays will be determined by the Championships Officer, based on merit *and may require that athletes have recorded a sufficient number of results in the relevant events in Friday Night competitions prior to the selection deadline.*
4. Athletes in the u13, u14 and u15 groups have an opportunity to be selected for the **Australian Little Athletics Championships** to be held in Adelaide in 2024.
5. Selection to join the NSW State Team is determined by LANSW.

## OUR ZONE & REGION STRUCTURE

St George Little Athletics Centre is one of 6 Centres which make up the “Southern Metropolitan Zone”, the others being Helensburgh, Illawong, Port Hacking, Revesby Workers & Sutherland. Our “Zone” championships involve these clubs.

Our Zone, together with one other zone (“Inner City” – which comprises 7 Centres) make up “Region 8”. The best performers at Zone from the 14 clubs within these 2 zones compete in our Regional Championships. All up in NSW, there are 8 Regions comprising 23 Zones and about 200 Centres.

## AWARDS PROGRAM

The club offers several awards to encourage participation and to recognise those who have demonstrated a high level of commitment and achievement in their sport. The awards for the 2023/24 season are set out on pages 11 to 13.

In most cases, Awards will be presented on “Presentation Day (or Night)” following completion of the Season (unless otherwise noted). Awards for Tiny Tots may be presented during a competition meet late in the season. All award recipients must be registered and paid up ‘Competitive Members’ of St George Little Athletics Centre and met any other specified criteria.

Awards involving adjudicated criteria should be considered discretionary. They are given when the Committee judges they are warranted by the standard achieved. Parents of children to receive one or more awards on Presentation Day(s) will be notified in advance.

## PAST AWARD WINNERS

Winners of end of season awards are listed in the [Annual Reports](#) posted on the website.

<b>Margaret Zerzvadse Sportsmanship</b>	1 only	Friday Night Participation Criterion <sup>+</sup> .	Demonstrated the attributes of good sportsmanship including fair play, a positive attitude, respect and courtesy toward opponents, grace in defeat and respect for the rulings of officials.

### PARTICIPATION CRITERION

To satisfy the **“Friday Night Participation Criterion”**, an athlete, upon completion of the season, must have attempted at least 50% of the Events offered to his/her Age Group across the season, and at least 33% of the Events offered in the post-Christmas part of the season. Note that we may elect to exclude certain Fridays from this and/or other award calculations for all or some Age Groups.

From time to time, athletes will want to attend athletics carnivals or other athletics-specific events held in locations and/or at times which would prevent the athlete from participating in our weekly Friday competition program. In certain cases, we will credit the athlete’s STGLAC participation measure so that attendance at the carnival does not prejudice their club participation measure. Where such credit is requested, it must be done so via the following application form:

[Application for Participation Credit](#)

See the [By-Laws](#) for more information.

### IMPORTANT NOTES – THESE MAY TAKE PRECEDENCE OVER THE TABLE

1. All awards are subject to good sportsmanship and behaviour on and off the field.
2. The Committee may depart from elements of this program where to do so is deemed appropriate.
3. An athlete’s eligibility for the Participation Award, Age Group Awards and Perpetual Awards is subject to their family having performed the number of duties we specify as required of each family during the season.
4. Where circumstances prevent application of the stated criteria, the club may substitute alternative criteria or make no award.

---

<sup>+</sup> See the definition of this criterion at the end of the Awards section (page 13).

# RECORDS

## GROUND AND CENTRE RECORDS

“Ground Records” are best performances by our athletes at Olds Park<sup>2</sup>. “Centre Records” are the best results achieved by St George athletes at various representative carnivals. From time to time, new records are created because of changes in Event definitions. St George historically determined that the introduction of changes in timing methodology (e.g. Electronic vs. Manual timing) was grounds to introduce new track records.

### WHEN CAN A GROUND RECORD BE SET?

Ground Records may only be set while competing in *scheduled* events during the athletics season (unless otherwise announced).

### NECESSARY CONDITIONS TO SET A GROUND RECORD

The following requirements must be met to establish a Ground Record:

- For Field:** The performance is witnessed by a club representative who holds a qualification for the appropriate event corresponding to Level 1 or better under the [Australian Athletics Officials' Education Scheme](#). Field Recording sheets must be signed by the witnessing official and one other adult supervising the event. At least one of these must have no familial connection to the athlete.
- For Track:** Where electronic timing<sup>3</sup> is used, the time is verified by the Track Referee (or computer operator) after consulting with the starter to confirm no false start.
- For Both:** The athlete is competing in correct STGLAC uniform. See: [Uniforms](#) page on the website.

In case of dispute, a final determination as to whether a record will be recognised is made by the Committee.

### WHERE ARE RECORDS LISTED?

Ground Records are available on our website at: [www.stgeorgelac.org.au/records/](http://www.stgeorgelac.org.au/records/)

Centre Records are available on our website at: <http://stgeorgelac.org.au/centre-away-records/>

### FRIDAY NIGHT RESULTS

Record attempts (successful or otherwise) made outside the regular scheduled program of events (*during years when this was permitted*) are NOT captured in ResultsHQ event results. Those (successful) attempts were entered directly into the Ground Record list (which is viewable via the website).

<sup>2</sup> ResultsHQ uses the terminology “Centre Records” to cover all types of records.

<sup>3</sup> Where manual timing is used, there must be 3 timekeepers and the middle time is taken as the race time. The recording sheet is to be signed by 2 timekeepers.
